TESTED FOR QUALITY

Double Drum Test (ISO 7176-8)

Loaded for 100-140 Kg

The double drum is a set of rollers that the wheelchair rides on for an extended period of time. There are slats on the drums that simulate pavement irregularities.

Tested for Endurance- 2,00,000 cycles

Drop Test (ISO 7176-8)

Loaded for 125 Kg

Tested for endurance- the drop simulates the wheelchair descending a curb.

6,666 cycles from 50 +/- 5 mm

Static Stability Test (ISO 7176-1 & 3)

Loaded for 125 Kg

Determines stability on a slope in forward, rearward and side facing positions. The chair is placed on a platform that can be inclined. The ramp is gradually raised until the chair becomes unstable. The angle at which instability occurs is recorded. The test is performed with the chair facing uphill, downhill and sideways.

Parking brake tested- facing slope and down slope.

Ignitability Test (BS EN 1021-2)

This European Standard specifies a test method to assess the ignitability of material combinations, such as covers and fillings used in upholstered seating when subjected to a small flame as an ignition source.

Integrated Static Test (ISO 7176-8)

Armrest and footrest of the wheelchair are subjected to loads from pneumatic cylinders and tested for resistance to downward and upward forces.

Tipping Lever and Hand grip tested for resistance.

FREEDOM 5000 (STANDARD)

STANDARD

- Steel Light-Weight Foldable Wheelchair.
- 2 step Height Adjustable Wheelchair.
- Detachable, Swing Away Armrests.

ABOUT US

At Forza Medi India Private Ltd, we transcend the role of mere manufacturers, positioning ourselves as architects of bespoke mobility solutions meticulously crafted to meet your exact requirements. Our inception in 2000 marked the commencement of a mission rooted in simplicity yet profound in impact – to empower individuals with disabilities through the provision of high-caliber, dependable, and cost-effective mobility solutions. Throughout our evolution, we have garnered considerable pride in our collaborations with esteemed industry leaders who have played a pivotal role in shaping and refining our exceptional portfolio of products.

QUALITY POLICY

At Forza Medi, we are driven by an unyielding commitment to deliver consistently high-quality products. Our robust processes and systems are designed to not just meet but exceed customer expectations, ensuring satisfaction at every step. We achieve this by actively involving our employees, providing continuous training, and implementing an effective Quality Management System, all while striving for ongoing process improvement.

OUR VISION

Our vision is to lead as the premier mobility solutions provider, dedicated to enabling unrestrained movement and enhancing the lives of individuals with disabilities. We aspire to create a global community where all individuals have unfettered access to essential tools, fostering independence and limitless mobility for all.
